

Dear All,

Welcome back - we are well and truly in Autumn now! Thank you for sending your children in good all-weather clothing. We have certainly needed it this week!

Please ensure your child has wellington boots and a waterproof coat in school. We try to get outside every day and it is miserable for children to sit around in wet socks after playtime, so welly boots are really important.

MATHS HOMEWORK INFORMATION

Thank you to the Key Stage 2 parents who made it to the times table workshop. Due to the weather the attendance wasn't great so we will probably do it again soon. It is so helpful for your child if you know what they should be practising at home - and how!

In the meantime any Key Stage 2 parent does have a question about maths homework please do drop us an email or ask a teacher at the end of the day.

REMEMBRANCE - POPPIES

The British Legion is the second of the core charities that we support at Crawfords and by supporting them we show we care about the lives of our Armed Forces and we help the British Legion support serving and ex-serving men and women and their families.

If you would like to support this cause and wish your child to buy a poppy or a poppy related item, such as a bracelet,

please send them into school with some money next week. The items will be on sale in the playground at the beginning of every day. We suggest a minimum donation of £1 per item.

REMEMBRANCE SERVICE - FRIDAY 10th NOVEMBER 2.30pm

We will be holding a short service of remembrance in the church on Friday 10th at 2.30pm. We will be raising flags at the War Memorial, some of the children will be reading poems and saying prayers. We will all be singing songs and giving thanks that we are living in peace. The Reverend Paul and Margaret Buttle will be joining us to remember and commemorate the service and sacrifice of others.

Everyone is welcome to join us at this short service. Please come along.

HANDWRITING

This week we were lucky enough to have someone come into school and show us the skill of calligraphy. The children were mesmerised by her skill in producing beautiful letters.

The children have been challenged to improve their handwriting skills. In Classes 2, 3 and 4 we started off our challenge by writing the sentence "The quick brown fox jumps over the lazy dog" - a sentence that contains all the letters of the alphabet.

We will be judging how much progress the children make over this half term and there will be prizes for children who make outstanding progress. In Class 1 we are concentrating on their first name only.

FLU VACCINE PORTAL REMINDER

This is a friendly reminder to follow the link communicated to you in a previous email to ensure you have given consent and registered for the flu vaccine this year. If your child is not registered, they will not receive the flu vaccine in school this year.

NOVEMBER ONLINE SAFETY NEWSLETTER

Please find attached our monthly communication with regards to online safety.

MENU CHANGES

Please find attached the most up to date menu from our new caterers, Aspens. There has been slight amendments made so please refer to this sheet as your most up to date copy.

Best Wishes,
