

Dear Parents,

Another week has flown by! The days are getting shorter and the weather is changing. Remember we are an OUTDOOR school and do not stay in just because it is raining. So every child needs a waterproof coat and wellies in school every day. Please write your child's name on everything!

**OPAL donation:**

Our Outdoor Play and Learning Lead, Mrs Cook, is after some resources for lunchtimes,

- shoes for the dressing up box
- suitcases
- kitchen pots and pans

If you have anything suitable please bring into school next week.

**Census Day Menu:**

Please find attached the menu for Census Day, Thursday 05th October. Some of the funding that schools receive depends on the uptake of school meals on Census Day, and so we kindly ask that you would consider your child to enjoy one of our meals on this day (and there's a rather nice choice to encourage uptake too!)

**Online Safety Newsletter:**

Please also find attached a copy of the latest Online Safety Newsletter. The school are subscribed to these updates so that we can pass this knowledge on to you and keep you informed with online safety. As a reminder, we do not encourage any social media accounts for our pupils. We really hope that this information proves valuable to you too.

**Dates**

**Parents' evenings, 3rd October and 11th October** - Most of you have signed up via the communicated email, thank you. If you are having problems then please don't hesitate to contact our office and we can help book you on.

**Open morning for new parents, 18th October 9.15 - 11.15** - This is a chance for parents of preschool children looking for a place for next September to visit the school. Please pass on this date to anyone you know in this position.

**Harvest Service. 19th October 2.45pm** - at the church. ALL ARE WELCOME.

Hope you all have a great weekend,

Mrs Ling
